2025 Application Information Pack

A MESSAGE FROM OUR PROGRAM DIRECTOR

Dear young Victorians and advocates of young people,

In 2025 we will see the 39th Victorian Youth Parliament run by The Y Victoria come into fruition. This will continue the program's legacy of being the longest running annual state forum for young people aged 16-25 to call for change in the state of Victoria. The program is well renowned for its commitment to authentic youth participation in civic and political process, and personally, I consider it to be one of the most empowering and enriching opportunities a young person in Victoria can experience.

Kaitlin (Sheepy) Woolford
Program Director
2025 YMCA Victoria
Youth Parliament

The Youth Press Gallery program offers 10-15 young people from across Victoria the opportunity to amplify the voices of our young people from one of the most influential positions in our state; the chambers of Victorian Parliament House. Over 60 Youth Parliament Bills have been adopted into current state legislation since the program's inception in 1986, including Bills on social issues, safety, education, environment, and more! To name a few, laws which mandate the wearing of bicycle helmets and the banning of lightweight plastic bags originated from participants on the program in the past. In addition to the Bill development and debating offered on this program, the residential camping experience that we value on Youth Parliament offers Youth Parliamentarians and Press Gallery members an immersive environment for experiential learning and the development of personal and professional skills.

Applications to our program are always extremely competitive. To apply, please read the information and instructions on the following pages prior to submitting your application.

Please reach out with any questions or concerns that you may have during the application process.

Sincerely,

Kaitlin (Sheepy) Woolford
Program Director - 2025 YMCA Victoria Youth Parliament

WHAT IS YOUTH PRESS GALLERY?

Youth Press Gallery is a program for young people aged 16-25 who are interested in gaining experience and developing skills in political journalism, videography, photography and social media. Participants will serve as the Press Gallery for The Y Victoria's Youth Parliament.

The Youth Press Gallery program is an important part of ensuring that the voices of young Victorians are heard. It is a great opportunity for aspiring journalists to bring attention to the issues that they're passionate about. Prior to the residential aspects of Youth Parliament, the Youth Press Gallery will partake in a series of workshops with industry professionals, equipping participants with relevant industry skills to produce stories for major publications and prepare for a career in media, politics and public policy.

Youth Press Gallery alumni participants have gone on to work for news organisations like the ABC, and some articles have been published in the ABC, SBS, Crikey and local papers such as the Macedon Ranges Leader and Bendigo Weekly.

Please note, there is no cost attributed to participating in this program – participants will receive all meals, accommodation, and activities during the residential aspects of the program free of charge.

“

I'm really grateful to have had the opportunity to sit in the parliament house press gallery, to report on a diverse number of Bills and amplify the work of young people across multiple forms of media. YPG helped me get published for the first time. I felt like a real journalist!

The Youth Press Gallery program will commence with a compulsory full-day workshop to be held at the Y Australia offices in Essendon Fields on the 19th of April 2025. This day will set up the Youth Press Gallery for success in the program, allowing participants to understand and begin preparing for Youth Parliament.

Outside of the first workshop and in the lead up to to, and between, residential camps, the Youth Press Gallery will meet online so that participants can;

Participants WILL also be required to attend the full Wednesday at camp, allowing them to touch base with their chosen teams and continue writing their articles. They will also be required to log in online each night (not Wednesday) of the week-long program to continue developing their articles.

The Youth Press Gallery members will also be invited, and required to attend, to Government House alongside the Youth Parliamentarians on Tuesday 8th July after the sitting day has concluded at Parliament House.
